The One Hundred and Sixty-Sixth Annual Report

For the Year ended 31st December, 1946.

—: 0 :—

Work of the year.

The Infirmary continued to work at maximum capacity throughout 1946. Although the wards were not so overcrowded with extra beds as in 1945, nevertheless there was greater intensity of work and 352 more in-patients were admitted. The work in the out-patients departments also increased. Detailed statistics of work done will be found on pages

The increase in the work of the Maternity Department was particularly great, and the number of babies born, 691, is a record, being 60% more than in 1945. Work is proceeding on the adaptations to "Haverbreaks House," and it is hoped this very necessary extension to our Maternity accommodation will be completed this summer. The plans as finally passed by the Ministry of Health provide for 15 beds, with babies nurseries and staff rooms.

The Longlands Recovery Annexe has been invaluable. By taking patients soon after operation, it has made possible the larger numbers passing through the wards.

In spite of all our efforts to speed up the work as far as practicable, the waiting list continues to grow and is now over 1,100.

With the end of the war, the requirements of the Ministry of Health for accommodation for service patients has considerably decreased, but the Emergency Medical Services are still in being, though on very much smaller scale. This reduction has enabled us to reduce the overcrowding in the wards, which was causing the Nursing Staff to be seriously over-worked.

In the special departments, the work of the Pathology Department and X-ray Department show substantial increases, and in the latter department we have under consideration the purchase of very expensive apparatus to cope with the growing volume of work. The Physiotherapy Department has also outgrown its present accommodation, and with the co-operation of the Ministry of Health a new rehabilitation department of pre-fabricated structure is being built and this will

provide much needed additional space for both Physiotherapy and occupational therapy. When it is completed the existing department will be adapted to improve the accommodation and amenities of the Out-patient departments.

The Blood Transfusion Service, which is worked jointly with the Queen Victoria Hospital, Morecambe, has been of inestimable value.

The Orthoptic Department which has been closed for over a year, was re-opened in October, and is doing very useful work.

Finance.

The total income for the year was £58,889 as compared with £61,484 in the previous year, a fall of £2,595. Voluntary gifts are less under nearly every heading; the drop of £2,000 in the Workpeople's Scheme contribution is due to the closing down of special war-time works, and the fall in ordinary donations is almost entirely accounted for by the fact that the Flower Saturday Fund donation of £950 was earmarked for providing the new re-habilitation department, and paid to the Building Fund instead of the Maintenance Fund as usual. Receipts from patients, contributory schemes and public authorities show an increase of £4,706, but the Ministry of Health payments are £5,867 less owing to the inevitable reduction in the amount of work done for the Emergency Medical Services.

Expenditure was £75,630, an increase of £15,687 over that of 1945. There were three main causes for this. One was the substantial rise which has taken place in the price of nearly everything we use, especially medical and surgical supplies of all kinds; the second was the greater quantities which were required to deal with the larger number of patients treated. The third was the considerable increase in wages; this arises from the employment of ward orderlies as mentioned later in this report, but mainly through the rise in the rates of pay to nearly all grades and classes of staff granted by the various National bodies which now regulate salaries and wages, and which are to a very large extent outside the control of the Infirmary Committee. The deficit on the year's working was £16,741. Every effort has been and will continue to be made to limit expenditure consistent with efficient working. Turning to the balance sheet, there are two items worthy of special mention. The large credit balance on Endowment Account is retained at the bank to set off against the overdraft on Maintenance and Building Fund Accounts, thereby saving substantially more in interest than could be earned by investing the money at present. Also, the Endowment Fund investments are now worth nearly £16,000 more than the Balance Sheet figure.

Obituary.

On 16th November, 1946, the Infirmary sustained a great loss through the death of Mr. C. W. Dean, F.R.S.C.E., Vice-President and Hon. Consulting Surgeon. In view of his unique and long service, the Committee has decided to erect a commemorative tablet.

Staff.

We are pleased to report that early in the year Major W. G. L. Flather, M.B., D.O.M.S., was able to take up his appointment as Honorary Ophthalmic Surgeon. He served with the Army in Italy as Specialist Ophthalmologist.

Major F. A. Milnes; our Superintendent-Secretary, returned to duty at the Infirmary in November, after serving three and a half years with the Army. He served in Italy as Deputy Assistant Director of Medical Services at G.H.Q., C.M.F.

Owing to ill-health, Miss K. M. Clarke resigned her appointment as Matron. Miss I. Walton, formerly Matron at Rotherham Hospital, was appointed and took up her duties in December.

The progressive increase year by year in the work of the Hospital has caused ever greater demands to be made on the time and services of the Honorary Medical Staff. This they have given loyally and unstintingly.

Owing to the shortage of Nursing Staff it was decided to experiment with the employment of ward orderlies, male and female, who would relieve the nurses of much routine work, thereby giving them more time to devote to the highly skilled work for which they are trained. This has proved very satisfactory.

To all the various staffs we tender our sincere thanks for their very loyal and hard work throughout the year. The efficiency and co-operation of every member of the Hospital Staff is very necessary if this complex organisation is to be carried on with maximum advantage to the patients.

Preliminary Training School.

With the increasing complexity of the training for the career of Nursing it has been found desirable to provide a Preliminary Training School, where newly enrolled student nurses may receive theoretical instruction combined with some elementary ward duties for three months before embarking on the full scheme of training and the larger responsibilities of full time work in the wards. Students who find during this preliminary period that they do not wish to continue as nurses are free to leave without any feeling of having failed, whilst those who decide to continue with the three years' training to become State Registered Nurses do so with added confidence and enthusiasm. The school was opened in December, 1946, and is proving highly successful. After 31st May, 1947, only Hospitals possessing such a Preliminary Training School will be recognised by the General Nursing Council for the training of Nurses..

The Gibson Prize Fund.

Dr. J. A. Gibson has very generously provided a Trust Fund for the provision of a Medal each year, known as the Gibson Medal, to be

awarded to the best Nurse completing her training at the Infirmary, and also prizes to the best Nurses completing the first and second year of training respectively. This innovation is very much appreciated by the Nursing Staff, and the first Medal and Prizes were presented by Dr. Gibson at the last Annual General Meeting.

Acknowledgments.

It is with pleasure that we tender our grateful thanks to all voluntary helpers of the Infirmary, to the Subscribers, the donors of gifts in kind, the Honorary Officers, the Workpeople's Committee, Blood Donors, Ladies Linen League, Ladies Collecting Committee and Collectors, the Lancaster Agricultural Society, the Amateur Theatrical Societies, the Clergy and Ministers for the Hospital Sunday Collections, to all those who have given help with domestic and clerical work, the ladies who have helped with the making of bandages, the School Teachers, the organisers of Flower Saturday, Women's Voluntary Services, the Library Staff, the Police, the Press, and the Red Cross Hospitality Committee for generosity to Service Patients.

The Future.

With the passing of the National Health Service Act in November, 1946, the end of the Voluntary Hospitals is in sight. On the "appointed day" which is expected to be 1st April, 1948, the ownership of the Infirmary will pass to the Minister of Health. Thanks, however, very largely to the organised voice of the Voluntary Hospitals—The British Hospitals' Association—many improvements have been made in the original Bill. Each Hospital or group of Hospitals will now have its own Management Committee which will continue to have important responsibilities and duties in the running of the local hospitals. The people of Lancaster will, therefore, continue to exercise their democratic right to influence the way in which their own hospital services are provided. Also, it will encourage many to know that any gifts provided for endowment or other capital or trust purpose between November, 1946, and the "appointed day" will be retained for the benefit of the Infirmary, although the present Endowment Funds are to be taken over by the State.

There remains at least a full year during which the Infirmary must continue to rely upon Voluntary effort for its maintenance. The Committee feel confident that when the people of Lancaster and district realise this, they will continue the flow of voluntary contributions.

The Committee ask the public to make a special effort to enable the Hospital to be handed over equipped and maintained with the efficiency which has characterised it in the past.

REPORT OF THE MEDICAL COMMITTEE.

—:O:—

Now that the restrictions on paper and print have become less it is hoped that more full reports on the work of the Honorary Staff may shortly be forthcoming from the heads of the various departments. In the meantime the present brief summary has been drafted to show that during the past year the work of the Infirmary has undergone its customary increase—which with no corresponding increase in accommodation has resulted in constant excess of pressure on our beds. Every possible effort and device has been made to ensure as rapid a turnover as is consistent with the welfare of in-patients. On numerous occasions, however, the shortened stay in Hospital has been a source of grave anxiety, and it is felt that the time is now long overdue when large scale extensions in all departments should be provided. With this end in view the Medical Committee brought to the notice of the General Committee their views on the subject, the outcome of which has been the appointment of a special Planning Sub-Committee whose terms of reference are to consider in its widest aspects all the necessary ground work for the erection of a fully equipped Hospital of not less than 600 beds. The Committee is now in the process of carrying out their preliminary survey, and it is hoped that at some not too distant date the fruits of their planning may be accepted in providing a new Institution which will meet the needs of the area with facilities for extensions as and where necessary.

All departments continue to be worked to their utmost capacity—Longlands providing at all times a useful safety valve.

No new appointments have been made during the year, but we are glad to take this opportunity of recording with our congratulations the fact that our Honorary Anaesthetist, Dr. L. Mather, has obtained the Diploma of Anaesthesia. We regret to record the loss of our senior colleague, Mr. C. W. Dean, F.R.C.S.E., whose long and distinguished service to the Hospital has been such a valuable asset through the years. We are hopeful that before long we may have the services of our Radiologist in a whole time capacity, as we feel that the work of this department has now reached such dimensions as to render this extension essential. The provision of a new X-ray Unit also will help materially to expedite the work of the X-ray department.

We are pleased also to note that the new Physiotherapy department appears to be nearing completion. When this comes into use we shall have the much needed extra space in the Out-patient Department, which has been a thorn in the flesh for so long.

We extend to our new Matron a hearty welcome and confidently believe that her collaboration and her experience will be the greatest

help in overcoming the many difficulties associated with the running of the Hospital so short of room and also of staff.

To all personnel of the Hospital, the Matron and Nursing Staff, the Superintendent-Secretary, the Office and Clerical Staff, the Massage and Electro-Therapeutic Staff, the X-ray Staff, the Resident Medical Staff, the Domestic and Porter Staff, and all others, we extend our grateful thanks for their untiring efforts under very difficult conditions.

H. N. DANIEL,
CHAIRMAN.

26th March, 1947.

MATRON'S REPORT, 1946.

—:O:—

There have been many changes in the Nursing Staff during 1946. We welcome as new members to the staff:—Miss Driver, as Relief Sister Tutor; Miss Thompson, as Relief Sister until the opening of the Maternity Annex; Miss Horton as Sister of Ward 3; Miss E. Birks as Night Superintendent; Miss Hülme, Miss Woods and Miss P. Birks have returned to their training school as Sisters in charge of Ward 6, Ward 5, and the Private Patients' Block respectively. Staff-midwives Mullaney and Ritson have been made Junior Sisters in the Maternity Department; and Staff-nurse Lambert, Junior Night Sister.

Thirteen Nurses entered for the State Final examination, 11 were successful; 16 Nurses entered for the Preliminary examination, 10 were successful.

The "Gibson" Prizes have been awarded to Nurse E. Cunliffe, third year; Nurse M. Barnes, second year; and Nurse J. Court, first year.

The Preliminary Training School was opened on January 1st, 1947, with seven students.

The employing of male and female Orderlies in the Wards has relieved the Nursing Staff of some of the non-nursing duties, usually allocated to Junior Nurses; but of course they cannot be considered as Nurses, and therefore the shortage of nurses still exists.

Twenty-three candidates entered for training and seven entered the Preliminary Training School. Of the 23 candidates who commenced training only four have left.

Thanks are due to the Voluntary Workers who continue to give their services; the Nursing Staff appreciate the help of these "Faithful Few."

The Nursing Staff wish to take this opportunity of saying "thank you" to the Honorary Medical Staff for the interest taken in their training and for the help given in the Class-room and Wards.

I. WALTON,
MATRON.

HOSPITAL SUNDAY COLLECTIONS, 1946.

At the Meeting of the Clergy, Ministers, and Church Officials, held in the Town Hall, Lancaster, in 1932, it was unanimously resolved "That, as far as possible, the SUNDAY FOLLOWING OCTOBER 18TH (St. LUKE'S DAY), or on OCTOBER 18th, if that day be a Sunday, be permanently observed as Hospital Sunday."

The number of Collections received during the year was 90. The number of Places of Worship in the neighbourhood is about 170, so that there were about 80 Places of Worship where no Collection was made.

The following is a List of the Places of Worship, showing the amounts received during the years 1946 and 1945:—

CONTRIBUTORY SCHEME FOR MEMBERS AND DEPENDENTS.

— Established 1820. —

WORKPEOPLE'S COMMITTEE (Established 1889).

REPORT, LIST OF CONTRIBUTIONS, HOTEL AND OTHER BOXES, AND ACCOUNTS FOR THE YEAR 1946.

The Committee has much pleasure in presenting the 58th Annual Report (the 26th dealing with the scheme).

The Committee are pleased to state that the total income is over **£18,000** this year, being an increase on last year.

Majority of the forces have now returned home, and have resumed their contributions again, and there is a large increase of new members.

The total number of Patients admitted to the Wards was 4,946, and in addition 691 babies were born in Hospital.

The total Out-Patients attendances were 73,709.

The Committee are pleased to state that the Very Rev. Canon R. O. Brimley has been elected President of the Infirmary for the ensuing year.

We again draw the attention to the eligibility of Benefit which is Three Months for Medical and Surgical Wards; and the Maternity Ward, Twelve months.

The Maternity Ward Benefit is for abnormal and Surgical Cases only, or where the home conditions are unsuitable.

Contributors' attention is particularly drawn to the fact that the **Workpeople's Contributory Scheme** is for treatment in the **Wards of the Royal Lancaster Infirmary**. Patients must obtain a voucher from the Secretary or Treasurer of the Workpeople's Contributory Scheme before being sent to any other hospital.

Patients who are in a position to join the Contributory Scheme, and have not done so, will be called on and expected to make payment towards the cost of maintenance whilst patients in the Infirmary.

The Committee does not assist Contributors in meeting the cost of Treatment in Private Hospitals, Maternity Homes, Nursing Homes (or suffering from war disabilities, these cases being the responsibility of the Ministry of Pensions), Sanatoriums, Mental Institutions, or Infectious Diseases Hospitals.

The Committee tender their grateful thanks to all those Employers and Collectors for their continued help, also to the Local Press for the valuable publicity they have given to matters affecting the Scheme; and to all other Subscribers, Donors, Helpers, and Silver Paper Collectors.

The gross income is made up as follows:—Workpeople and Collectors Contributions £18,087 10s. 11d.; Hotel and Voluntary Boxes, £145 11s. 3d.; Donations, Lancaster and District Co-operative Society £71 7s. 10d., N.E.L. Dairies £13 12s. 2d., Ribble Motor Services, Ltd. £19 11s. 9d., Standfast Dyers Social Services £50, Waring and Gillow (1932) Ltd. £10, Mr. Turner £10, K. Shorter £7, Exors. of W. Mitchell (hot water) £5 14s. 7d., Netherlune Works £2 5s., other donations £15 2s. 6d., Cot Fund £7 12s. 6d., 3 per cent. Defence Bonds Interest £15, Bank Interest £31 15s. 6d.

The Committee regret the loss of Mr. W. E. Shepherd, member of the Committee, who passed away early in the year.

The Committee according to rule, nominated Messrs. J. Howie, C. E. Whiteside, R. Keeffe, L. Kilgour, W. H. Keeffe, H. Cooper, and W. Johnson, for election on the General Committee.

The Members who retire (but are eligible for re-election) are Messrs. J. Howie, C. E. Whiteside, R. Keeffe, F. Butterfield, W. H. Keeffe, E. G. Snook, G. Whalley, and F. Crossley.

Signed on behalf of the Committee,

H. COOPER, Chairman.

J. HOWIE, Hon. Treasurer.

C. E. WHITESIDE, Hon. Secretary.

August, 1947.
